## Teacher Grants: Specific Deadlines

Keep turning to the back of these pages to find grants with ongoing or rolling deadlines

### February 2018

- 2/14/2018**      **CRS Science Super Star Challenge**      **Community Resources for Science**  
*<http://www.crscience.org/educators/SSSprogram>*  
Recognition and prizes      We want to reward you for the science teaching and learning happening in your classrooms and schools.
- 2/17/2018**      **FREE lab supplies - Los Altos Hills**      **Bio-Link Depot**  
*<http://biolinkdepot.org/index.php/get-supplies/>*  
FREE equipment      10AM-2 PM - Lab equipment give away for middle and high schools. Lots of great equipment, but you need to follow the rules. Don't forget to read their website.
- 2/19/2018**      **Gro1000 Grass Roots Grant OPENS**      **Scotts Miracle Grow**  
*<http://scottsmiraclegro.com/corporate-responsibility/gro1000/>*  
up to \$1500      Scroll to bottom of page to find grant application. Grassroots Grants are awarded to local communities to help bring edible gardens, flower gardens and public green spaces to neighborhoods across the United States.
- 2/28/2018**      **Awards for Outstanding Educators**      **International Society for Technology in Education**  
*<https://www.iste.org/membership/awards>*  
\$1300 plus travel      Nominations open December 1. This award is presented to two teams of a school librarian and collaborating teacher from one primary school, and one secondary school, each year. Teams have planned a collaborative project involving technology, received support from administration, and successfully executed the project with supportive data and evidence for others to replicate the project. Award winners will receive:  
\* Recognition at ISTE's annual conference and exposition. Complimentary registration to ISTE's annual conference and exposition (two per team).  
\* Up to \$1,000 travel stipend for ISTE's annual conference and exposition (one per team).  
\* A \$1,000 cash award payable to the school media center (one per team).  
\* A \$300 professional library from ISTE (one per team).  
\* A one-year ISTE membership (two per team).  
\* Recognition in ISTE publications, in press releases to local media, and on iste.org.
- 2/28/2018**      **Fulbright Short-Term Teaching Program**      **Fulbright Teacher Exchange**  
*<https://www.fulbrightteacherexchange.org/about-short-term>*  
Study abroad      Through the Fulbright Distinguished Awards in Teaching Program, U.S. K-12 teachers and educators can apply for grants to engage in 2-6 week collaborative projects abroad. Participants consult with and support projects with schools, non-profit organizations, teacher training institutions, and other educational organizations abroad. The grant award funds travel costs, lodging, meals, local transportation, and related costs. Teachers may travel to: Botswana, Colombia, India, Mexico, the Palestinian Territories, South Korea, or Vietnam.

### March 2018

- 3/1/2018**      **Presidential Innovation Award for Environmental Educators**      **US EPA**  
*<http://go.usa.gov/xkgTS>*  
\$2500 for Teachers & School      The Presidential Innovation Award for Environmental Educators recognizes outstanding K-12 teachers who employ innovative approaches to environmental education and use the environment as a context for learning for their students. Up to two teachers from each of EPA's 10 regions, from different states, will be selected to receive this award.
- 3/1/2018**      **AAE Classroom Grant**      **Association of American Educators**  
*<http://www.aeeteachers.org/index.php/classroom-grant-application>*  
\$500      Classroom grants can be used for a variety of projects and materials. Funds must be used within one year of the application deadline. Awards are competitive. AAE members receive additional weight in the scoring rubric.

We're here to help you find the science resources you're looking for. Email us at [CRS@crscience.org](mailto:CRS@crscience.org)

<b>3/2/2018</b>	<b>Waste Reduction Grant</b> <a href="http://www.altamonteab.org/">http://www.altamonteab.org/</a>	<b>Altamont Education Advisory Board</b>
\$500-\$3,000 or \$20,000 to 50,000	The Education Advisory Board promotes waste prevention and recycling, job training and education through: 1. Waste prevention and recycling programs that serve schools (recycling supplies, program materials and other education activities such as field trips); 2. Community education through waste prevention and recycling education programs. The Educational Advisory Board offers mini-grants, ranging from \$500-\$3,000 each, and project grants, which average approximately \$20,000 each, with a maximum request of \$50,000. Limited to individuals and organizations serving citizens of Alameda County and the cities of San Ramon and San Francisco.	
<b>3/15/2018</b>	<b>Braitmayer Foundation \$10,000 Grant</b> <a href="http://www.braitmayerfoundation.org/how-to-apply/">http://www.braitmayerfoundation.org/how-to-apply/</a>	<b>The Braitmayer Foundation</b>
\$10,000	Curricular and school reform initiatives; and preparation of and professional development opportunities for teachers, particularly those whom encourage people of high ability and diverse background to enter and remain in K-12 teaching.	
<b>3/15/2018</b>	<b>Environment Education (EE) Grants</b> <a href="http://www2.epa.gov/education/environmental-education-ee-grants">http://www2.epa.gov/education/environmental-education-ee-grants</a>	<b>US EPA Environmental Education</b>
\$10,000-25,000	to support environmental education projects that promote environmental stewardship and help develop aware and responsible students, teachers, and citizens. This grant program provides financial support to seed innovative projects that design, demonstrate, or disseminate environmental education practices, methods, or techniques as described in this notice.	
<b>3/17/2018</b>	<b>FREE lab supplies - Oakland</b> <a href="http://biolinkdepot.org/index.php/get-supplies/">http://biolinkdepot.org/index.php/get-supplies/</a>	<b>Bio-Link Depot</b>
FREE equipment	10AM-2 PM - Lab equipment give away for middle and high schools. Lots of great equipment, but you need to follow the rules. Don't forget to read their website.	
<b>3/19/2018</b>	<b>Roots &amp; Shoots Community Campaign Mini-Grants</b> <a href="http://www.rootsandshoots.org/minigrant">http://www.rootsandshoots.org/minigrant</a>	<b>Roots and Shoots</b>
\$200	Use your community map to identify a service campaign. Already involved in a campaign? Use your map to reflect on why you chose your existing campaign and explore your campaign's potential impacts. Also, start a project profile on <a href="http://www.rootsandshoots.org">www.rootsandshoots.org</a> .	
<b>3/22/2018</b>	<b>Green Difference Awards</b> <a href="http://projectgreenschools.org/green-difference-awards/">http://projectgreenschools.org/green-difference-awards/</a>	<b>Project Green Schools</b>
recognition	Award recognizes Outstanding National Environmental Education & STEM Education efforts led in our Schools & Communities. Approximately 25 awards are given out each year in the following areas: Outstanding Green Superintendent/Principal, Outstanding Green Education/Program Director, Outstanding Green Community Hero, Outstanding Green Student [Elementary/Middle/High], Outstanding Commitment to Greenovation [GREEN + STEM + Innovation], Outstanding School-led Project in Sports, Outstanding School-led Project in Energy, SUSTAINABILITY AWARD – Outstanding Environmental Education Program with Proven Track Record of 5 or more years!, Lifetime Achievement Award for a hero who has dedicated his or her life to Green Education	

## April 2018

<b>4/1/2018</b>	<b>Early Childhood Grants</b> <a href="http://www.frd-foundation.org/apply05.html">http://www.frd-foundation.org/apply05.html</a>	<b>Francis R. Dewing Foundation</b>
\$5000 ave (\$1,000-20,000)	The foundation gives grants only to programs that deal directly with early childhood education. Within that context, support is given for preschool, elementary, and other education; conservation and environmental protection	
<b>4/15/2018</b>	<b>Teacher Development Grants</b> <a href="http://www.mccartheydressman.org/teacher.html">http://www.mccartheydressman.org/teacher.html</a>	<b>McCarthy Dressman Education Foundation</b>
\$10,000 per year up to 3 years	Provides funding to individuals or small teams of teachers in the formation and implementation of groundbreaking k-12 classroom instruction. The grants provide opportunities for teachers to integrate fresh strategies that encourage critical inquiry and to observe their effects on students	
<b>4/16/2018</b>	<b>Carton 2 Garden</b> <a href="http://carton2garden.com/">http://carton2garden.com/</a>	<b>KidsGardening.org</b>
\$1000-\$5000	Show your students' creativity by re-purposing milk and juice cartons from your school cafeteria to either build or enhance your school garden. Educators can engage students in a hands-on experience creating teachable moments on environmental stewardship, sustainable packaging and healthy living. The best use of cartons in a school garden gives your school the chance to win one of 14 prizes with a grand prize valued at \$5,000.	
<b>4/18/2018</b>	<b>Discovery Education 3M Young Scientist Challenge</b> <a href="https://www.youngscientistlab.com/challenge">https://www.youngscientistlab.com/challenge</a>	<b>Discovery Education</b>

We're here to help you find the science resources you're looking for. Email us at [CRS@crscience.org](mailto:CRS@crscience.org)

- \$500-\$25,000 students must create a 1-2 minute video describing a new innovation or solution that could solve or impact an everyday problem related to how we live, how we work or how we play. One student will win the coveted title of "America's Top Young Scientist."
- 4/30/2018** **Environmental Education Grants** **The Lawrence Foundation**  
<http://www.thelawrencefoundation.org/grants/grant-guidelines/>  
 \$5000 The foundation is focused on making grants to support environmental, education, human services and other causes although our interests are fairly diverse and may lead us into other areas on an occasional basis.
- 4/30/2018** **SeaWorld & Busch Gardens Conservation Fund** **SeaWorld Education Department**  
<http://www.swbg-conservationfund.org/grantInfo.htm>  
 \$5000-25,000 Conservation Education funding for Nature Deficit Disorder: Programs designed to encourage youth to spend more time outdoors connecting with nature. This includes education programs for youth who live in biodiverse range countries to understand the value of nature and the mechanisms for sustainability.

## May 2018

- 5/1/2018** **BirdSleuth National Challenge** **Cornell Lab of Ornithology**  
<http://www.birdsleuth.org/national-challenge/>  
 Year's Supply of Bird Seed Have you ever watched a chickadee grab a seed from a feeder and fly off to eat it? Or noticed a sparrow scouring the ground for fallen seed? Bird feeding behaviors like these have inspired us to create the National Challenge! Participation is easy. Just sign up, conduct your investigation, and submit your report by May 1st, 2018, and you'll be entered to win one of our great prizes. The Grand Prize winning student, group, or classroom will get a year's supply of bird seed!
- 5/1/2018** **Elementary Teacher Award** **The Presidential Awards for Excellence in Mathematics and Science Teaching**  
<https://www.paemst.org/home/view>  
 \$10,000 and trip to Washington DC Alternate years for elementary and secondary. The Presidential Awards for Mathematics and Science Teaching were established in 1983 by an Act of Congress and are administered for the White House by the National Science Foundation. Each year the program recognizes outstanding mathematics and science teachers from across the United States and four U.S. jurisdictions for their contributions in the classroom and to their profession. In addition to honoring individual achievement, the goal of the Awards is to expand and exemplify the definition of excellent science and mathematics teaching. Awardees serve as models for their colleagues, inspirations to their communities, and leaders in the improvement of mathematics and science education.
- 5/1/2018** **Grants For Grades 6 - 12** **Toshiba America Foundation**  
<http://www.toshiba.com/taf/612.jsp>  
 \$5000 + Toshiba America Foundation is accepting applications from teachers who are passionate about making science and mathematics more engaging for their students. Do you have a wish list of instructional equipment that will make learning more exciting for your students?
- 5/1/2018** **Ocean Guardian School Grant** **National Marine Sanctuaries**  
[http://sanctuaries.noaa.gov/education/ocean\\_guardian/welcome.html](http://sanctuaries.noaa.gov/education/ocean_guardian/welcome.html)  
 \$2,000-5,000 Application forms will be posted on the website by April 1, 2017. Applications are reviewed based on five criteria, each criteria weighted equally: a. The number of classes and grades involved; b. The impact of the project on the school and/or the impact of the project on the community; c. The school is an underserved/underrepresented school; d. The outreach plan for communicating to others about your project and its goals; e. The connection of the project to the health and conservation of the watershed, ocean and/or national marine sanctuary
- 5/1/2018** **American Honda Foundation Grant - Returning Fundees** **American Honda Foundation**  
<http://www.honda.com/community/applying-for-a-grant>  
 \$20,000-75,000 Returning Fundees only (received grant in last 10 years) - Supports youth education with a specific focus on the STEM (science, technology, engineering and mathematics) subjects in addition to the environment.
- 5/8/2018** **Various Grants and Recognition** **California Science Teachers Association**  
<http://www.cascience.org/programs/awards-programs>  
 Recognition Various Grants and Recognition
- 5/10/2018** **Reading the Redwoods** **Save the Redwoods League**  
<https://www.savetheredwoods.org/100-years/reading-the-redwoods/>

We're here to help you find the science resources you're looking for. Email us at [CRS@crscience.org](mailto:CRS@crscience.org)

Weekly and grand prizes  
A free, online contest for kids ages 5-10 Starting March 10 and running until May 10, 2018, young explorers will engage in five fun and easy activities that encourage a sense of wonder about forests, trees, and especially redwoods. A parent, guardian, or family member will sign up online and be entered to win weekly prize packages that include kid-friendly goodies from REI and Clif Bar as well as books by award winning authors T. A. Barron, Carmen Bogan, and Anthony Fredericks. Kids and their adults will take part in activities like reading books inspired by a nature-based book list, listening to audio books, hugging their favorite tree, and more! Then, upon completing the five activities, participants complete the final online form and will be entered to win the Grand Prize: a trip to the redwoods for a family of four!

**5/10/2018**      **The Max and Victoria Dreyfus Foundation Grant**      **The Max and Victoria Dreyfus Foundation**  
*<http://www.mvdreyfusfoundation.org/#!application-guidelines>*  
\$1,000 to      The Foundation will consider requests to support museums, cultural, and performing arts programs; schools, hospitals, educational and skills training programs, programs for youth, seniors, and the handicapped; environmental and wildlife protection activities; and other community-based organizations and their programs.  
\$20,000

**5/15/2018**      **Future Organic Farmer Grant Fund**      **California Foundation for Agriculture in the Classroom**  
*<http://bit.ly/202HnJL>*  
\$1000      Applications open April 1, 2017. Applicants must be certified K-8 teachers in the United States. Applicants must submit a project proposal with an itemized budget for a project to be completed in the 2016-17 school year. A significant percentage of grant funding will go to teachers in school districts with 50% or more of its students enrolled in the free/reduced lunch program.

## June 2018

**6/1/2018**      **Outstanding Science Teacher Educator of the Year**      **Association for Science Teacher Education**  
*<http://theaste.org/awards/>*  
recognition -      he purpose of these two awards (Level One: Ten or Fewer Years in Science Education, and Level Two: 10+ Years of Career) is to recognize the individual achievements and contributions of ASTE members in their first ten years of career (and those beyond ten years. Each Award recipient receives a plaque, a cash award from Carolina Biological Supply Company, and a tribute in the awards issue of the Journal of Science Teacher Education.  
cash

**6/22/2018**      **Champion Creatively Alive Children Grant**      **Crayola**  
*<http://www.crayola.com/for-educators/ccac-landing/grant-program.aspx>*  
\$2,500 and      Form a collaborative team to plan innovative ways of infusing creativity throughout the school. Brainstorm a leadership program that will enrich the creative capabilities and confidence within the school community. Plan how and who will lead this collaborative effort. Complete the application. Submit application by June 23, 2017 (the principal must be a member of NAESP). Receive a gift — every Early Bird application submitted before midnight on Monday, June 5, 2017 will receive a Crayola product Classpack®.  
\$100 in Crayola products

## Teacher Grants: Rolling or Continuous Deadlines

<b>Teacher wishlist</b>	<b>Adopt-A-Classroom Grants</b> <a href="http://www.adoptaclassroom.org">http://www.adoptaclassroom.org</a> Register your classroom online. This site pairs you with people who want to give money to your classroom to purchase supplies. Is not project based.	<b>Adopt-A-Classroom</b>
<b>FREE field trip to Alcatraz</b>	<b>Alcatraz School Access Program</b> <a href="http://www.nps.gov/alca/planyourvisit/school-access-program.htm">http://www.nps.gov/alca/planyourvisit/school-access-program.htm</a> Public Schools with 60%+ of students receive free and reduced lunches or Private Schools where 60% of students receive scholarships are eligible to receive free tickets for visits to Alcatraz between January 3 - March 15, November 1-15, and December 1-15.	<b>Alcatraz Island</b>
<b>\$10,000+</b>	<b>Amgen Foundation Grant</b> <a href="http://www.ext.amgen.com/citizenship/apply_for_grant.html">http://www.ext.amgen.com/citizenship/apply_for_grant.html</a> The areas given priority consideration within science education are: Teacher quality and professional development in math and science, and Pivotal hands-on science experience for students.	<b>Amgen Foundation</b>
<b>Program Scholarships</b>	<b>Program scholarships</b> <a href="http://bayareadiscoverymuseum.org/school-visit/scholarships/">http://bayareadiscoverymuseum.org/school-visit/scholarships/</a> Scholarships for school visit programs. For elementary schools serving more than 40% of students who qualify for free and reduced lunch and preschools serving more than 40% of families through child-care subsidies.	<b>Bay Area Discovery Museum</b>
<b>Approximate value - \$1000</b>	<b>Amy Chamberlain Scholarship Fund</b> <a href="http://www.bawt.org/programs/funding/scholarships/">http://www.bawt.org/programs/funding/scholarships/</a> Each scholarship provides full tuition to BAWT's Wilderness Leadership Training (WLT), as well as post-course support. Must apply one month prior to the class you desire to take.	<b>Bay Area Wilderness Training</b>
<b>Varies</b>	<b>Friends &amp; Family Grants - BERKELEY Schools only</b> <a href="https://schoolsfund-friendsandfamily.herokuapp.com/">https://schoolsfund-friendsandfamily.herokuapp.com/</a> This crowd-funding platform allows teachers to submit grant applications to fund new projects, materials, or equipment anytime throughout the year. Anyone can donate to a grant, and the site is searchable by teacher, school, and subject area. Similar to DonorsChoose but exclusively for Berkeley teachers.	<b>Berkeley Public Schools Fund</b>
<b>discount bus rental rate</b>	<b>Black Tie Community Bus</b> <a href="http://www.blacktietrans.com/fleet-type/community/">http://www.blacktietrans.com/fleet-type/community/</a> Bus is offered to non-profit organizations and to schools to transport children ages K-12 for school outings at a discounted rate to those who apply in advance and meet the requirements of the application process.	<b>Black Tie Transportation</b>
<b>\$2500</b>	<b>California Casualty Academic Award</b> <a href="http://www.calcasacademicaward.com/">http://www.calcasacademicaward.com/</a> Enter to win \$2500 to cover your out of pocket expenses	<b>California Casualty</b>
<b>\$1500 plus design services</b>	<b>Native Garden Design Grants</b> <a href="http://middlebrookcenter.com/elsee/cngf/design-grants/">http://middlebrookcenter.com/elsee/cngf/design-grants/</a> Support include garden design services, in-kind donations of plants and landscape materials, volunteer assistance, and direct financial assistance. A typical grant cycle is about 5 months. Grant amounts are limited to \$1,000 for in-kind assistance, \$500 in direct cash assistance, and \$5,000 for design services.	<b>California Native Garden Foundation</b>
<b>50% and 100% field trip discounts</b>	<b>Free Field Trips</b> <a href="http://www.creativity.org/programs/school-fieldtrip-fee-waiver-request">www.creativity.org/programs/school-fieldtrip-fee-waiver-request</a> Reduced-rated and fee-waived programs for CA Title 1 and qualifying schools are now available.	<b>Children's Creativity Museum</b>

We're here to help you find the science resources you're looking for. Email us at [CRS@crsscience.org](mailto:CRS@crsscience.org)

<b>computer hardware</b>	<b>Classroom Computers</b> <a href="http://computersforlearning.gov/">http://computersforlearning.gov/</a> Schools register and request equipment on the Computers for Learning web site. Federal agencies match their surplus equipment to schools with those needs. Computers and equipment are not refurbished by the government before being shipped to schools, nor are they covered by warranty.	<b>Computers for Learning</b>
<b>technology</b>	<b>Digital Wish List</b> <a href="http://www.digitalwish.com/dw/digitalwish/home">http://www.digitalwish.com/dw/digitalwish/home</a> Teachers to create a technology wish list. Online crowd sourcing provides funding	<b>Digital Wish</b>
<b>\$100-1000</b>	<b>Classroom Wishlist</b> <a href="http://www.donorschoose.org/teachers">http://www.donorschoose.org/teachers</a> Teachers describe classroom needs. Contributors decide where they want to put their money. Many corporations including Disney, Chevron, and Horace Mann are now using DonorsChoose.org as the way they give away money to education. Once funded, resources sent directly to your classroom.	<b>DonorsChoose.org</b>
<b>free books</b>	<b>Book Give</b> <a href="http://www.eastbaychildrensbookproject.org/">http://www.eastbaychildrensbookproject.org/</a> 3:30PM – 6:00PM Every Tuesday and Thursday. Limits of the number of books you can have change from day to day. In the range of 20-30. The East Bay Children's Book Project helps build literacy by putting books into the hands of children who have little or no access to them. Working through individuals and organizations who help children in need,	<b>East Bay Children's Book Project</b>
<b>discounted bus</b>	<b>Parks Express Transportation Services</b> <a href="http://www.ebparks.org/parks/publictransit/parks-express">http://www.ebparks.org/parks/publictransit/parks-express</a> Discount buses (\$110) for fieldtrips to East Bay Regional Parks. Schools must have at least 50% of students in Free or Reduced Lunch Program. 40 passengers minimum. They start making assignments in December for the coming year. Apply ASAP even for programs in fall. Need not have naturalist program pre-arranged.	<b>East Bay Regional Park District</b>
<b>Free Admission</b>	<b>Free Admission to CA Title 1 Schools</b> <a href="http://www.exploratorium.edu/visit/field-trips">http://www.exploratorium.edu/visit/field-trips</a> Free admission to provided to all CA Title 1 schools.	<b>Exploratorium</b>
<b>Varies</b>	<b>Education Grant Database</b> <a href="http://www.grantwrangler.com/">http://www.grantwrangler.com/</a> Check out this website for all types of grants for classrooms	<b>GrantWrangler</b>
<b>Free Admission and Transportation</b>	<b>Free Monday Field Trips and Transportation Grants</b> <a href="http://www.hiller.org/mondays_at_the_museum.shtml">http://www.hiller.org/mondays_at_the_museum.shtml</a> No charge field trips during Mondays at the Museum, with transportation reimbursement also available for qualified low-income schools (at least 40% of students qualified to receive free or reduced price meals).	<b>Hiller Aviation Museum</b>
<b>\$250 to \$1,000</b>	<b>Youth Microgrant Program</b> <a href="http://karmaforcara.org/get-involved/apply-for-a-microgrant/">http://karmaforcara.org/get-involved/apply-for-a-microgrant/</a> Kids 18 and under to apply for funds between \$250 and \$1,000 to complete service projects in their communities. Whether it is turning a vacant lot into a community garden, rebuilding a school playground or helping senior citizens get their homes ready for winter, we want to hear what project you're passionate about.	<b>Karma for Kara Foundation</b>
<b>\$1000-\$5000</b>	<b>Education Grants</b> <a href="http://www.kindermorgan.com/community/km_foundation_guidelines.cfm">http://www.kindermorgan.com/community/km_foundation_guidelines.cfm</a> Due the 10th of each month. Academic programs, including tutoring; Arts education programs; Environmental education programs that work with local schools and meet curriculum standards	<b>Kinder Morgan Foundation</b>
<b>bus transportation to Oakland Museum</b>	<b>Bus Transportation Scholarship - Oakland &amp; Richmond</b> <a href="http://museumca.org/school-visits">http://museumca.org/school-visits</a> A limited number of scholarships are available and are awarded based on these criteria: • School must be in Oakland Unified School District (includes charter schools) or a Richmond public school. • At least 70% of students at the school must qualify for the free or reduced lunch program. • One scholarship per teacher each school year. • Awarded on a first-come, first-served basis. • Teachers will contact the bus company directly to book the transportation, using the code as authorization provided by the museum. The Museum will be billed for the bus.	<b>Oakland Museum of California</b>

We're here to help you find the science resources you're looking for. Email us at [CRS@crscience.org](mailto:CRS@crscience.org)

<b>Discounted admission to Oakland Museum</b>	<b>Program Scholarship for Oakland</b> <a href="http://museumca.org/school-visits">http://museumca.org/school-visits</a> A limited number of scholarships are available and are awarded based on these criteria: * Scholarships are available for programs at the Museum, but not for docent-led or self-guided tours. * Your school must be in the Oakland Unified School District (includes charter schools). * At least 70% of students at the school must qualify for the free or reduced lunch program. * Qualified applicants may receive up to a 50% reduction of the program fee. * One scholarship per teacher each school year. * Awarded on a first-come, first-served basis.	<b>Oakland Museum of California</b>
<b>discounted or free programs</b>	<b>Zoo-to-Community Discounts for Programs</b> <a href="http://www.oaklandzoo.org/Zoo_to_Community.php">http://www.oaklandzoo.org/Zoo_to_Community.php</a> Oakland Zoo provides free and reduced rate science education programs through its Zoo-to-Community initiative for children and youth attending East Bay schools with significant numbers of Title 1 students. Applications are processed on a first come first serve basis for programs from September to Feb 29th. Good for ZooSchool and Wildlife Assembly programs at the zoo and ZooMobile programs at your school.	<b>Oakland Zoo</b>
<b>\$300-\$1000</b>	<b>First Robotics Grants</b> <a href="https://www.pge.com/en_US/residential/in-your-community/education-programs/grants-and-scholarships/first-robotic">https://www.pge.com/en_US/residential/in-your-community/education-programs/grants-and-scholarships/first-robotic</a> The PG&E FIRST® Robotics program provides school and community-based student teams with funding to design and build fully functioning robots and take part in robotics competitions. Schools in the PG&E service area are invited to apply now (grants are provided on a first-come, first-serve basis)	<b>PG&amp;E</b>
<b>up to \$150</b>	<b>Classroom Grant</b> <a href="http://www.petsintheclassroom.org/teachers/">http://www.petsintheclassroom.org/teachers/</a> Offered to Pre-K through 8th grade classes. Supports pets or aquariums in the classroom for the purposes of teaching children to bond with and care for their pets responsibly. The welfare of the small animals involved is of paramount importance. These grants must not be used for the purposes of research or experiments of any kind. Grant can be used to purchase of animals or to cover food and material costs	<b>Pets in the Classroom</b>
<b>\$500</b>	<b>Environmental Sciences Resource Grants</b> <a href="http://www.venturesfoundation.org/programs/teacher-grants/">http://www.venturesfoundation.org/programs/teacher-grants/</a> Grants of up to \$500 will be awarded to teachers (K-12 teachers working at a low-income public school in Alameda County) to enhance classroom environmental science curriculum through projects, resources, field trips, and professional development. Examples include: * Field trip related to the study of wetland and creek restoration and water conservation * In-classroom presentations about endangered species by local wildlife experts * Gardening supplies to build a wildlife habitat * Adopt-a-Beehive program for a project-based learning activity about bees Materials for a school-wide climate stewardship project to mitigate the effects of climate change Limit 2 grants per school	<b>Philanthropic Ventures Foundation</b>
<b>Up to \$2500 easy grant process</b>	<b>Classroom Grants</b> <a href="http://www.venturesfoundation.org/programs/teacher-grants/">http://www.venturesfoundation.org/programs/teacher-grants/</a> A variety of classrooms grants generally become available at the beginning of the school year. The application is one simple faxed page. You receive notification within days. Funding runs out quickly, so act quickly. Check back often as sometimes new funding sources become available.	<b>Philanthropic Ventures Foundation</b>

<b>\$1000 to \$5,000</b>	<b>Mini Grants - Waste Reduction</b> <i>http://www.stopwaste.org/recycling/business/general-mini-grant-program</i> StopWaste.Org looks for innovative projects which will increase individual and community involvement in source reduction efforts, decrease the amount of waste generated and sent to the County's landfills, and encourage the development, marketing and use of recycled products.	<b>StopWaste.org</b>
<b>Varies</b>	<b>Grants for Teachers</b> <i>http://grants4teachers.com/</i> Database of education grants of all types and amounts.	<b>Teacher Planet</b>
<b>12-20 trees plus planting and more</b>	<b>Fruit Tree Orchard for Your School</b> <i>http://www.ftpf.org/apply.htm</i> Program brings fruit tree orchards to schoolyards, so students can make a positive environmental impact at their school, while creating a source of tasty snacks for decades to come. Orchard donations involve a 12-20 tree minimum (we do not currently offer single trees) to public or nonprofit schools. The trees, materials, orchard installation design work, and onsite environmental curriculum with students are all donated, free of charge for the benefit of the school and its students.	<b>The Fruit Tree Planting Foundation</b>
<b>varies</b>	<b>Healthy Environments grant</b> <i>http://kresge.org/programs/health/healthy-environments</i> The healthy food initiative invests in efforts to improve food-system policies and practices, especially those that provide better access to fruits, vegetables and other healthful foods and that reduce the emphasis on products without nutritional benefits in low-income neighborhoods.	<b>The Kresge Foundation</b>
