

CRS Science Super Star Classroom Application

Teacher Name and School: _____

To participate, check off each goal as your classroom finishes the task. Send this completed form to Community Resources for Science (1611 San Pablo Ave. Suite 10 B | Berkeley, CA 94702) by **March 31, 2012**.

Students have participated in **at least 14 hands-on science experiences between September 2011 and March 2012**.
(examples: FOSS kits or other favorite hands-on lessons, participated in creating a science fair project, science festival at school)

<u>Lesson #</u>	<u>Name of Lesson</u>	<u>Date</u>	<u>Lesson #</u>	<u>Name of Lesson</u>	<u>Date</u>
1	_____	_____	8	_____	_____
2	_____	_____	9	_____	_____
3	_____	_____	10	_____	_____
4	_____	_____	11	_____	_____
5	_____	_____	12	_____	_____
6	_____	_____	13	_____	_____
7	_____	_____	14	_____	_____

Students have read (or had read to them) **at least one age-appropriate, science based fiction or non-fiction book or article**.
(See our science lit list at <http://www.crscience.org/educators/scienceliterature> for ideas)

Book Read as Whole Class OR **Each Student Read Their Own Book**

Title and Date _____

Date Accomplished _____

Students have completed **at least two science based writing assignments**
(science journals, research write-ups, summary of science books read . . .)

Assignment Given

Date

1
2

Students have participated in **at least one science based field trip** (on or off campus)
or

had a science based visitor come to the class or school (assembly, in-class program by outside provider/volunteer).

Experience

Date

Teacher participated in professional development that helped them bring a science lesson to their class.
(Does not have to be a science specific workshop but something that contributed to your science teaching).

Experience

Date

Teacher is a **Member of CRS** and made **at least one request for science planning support from CRS**

- Asked for personalized resource reports (websites, education programs, professional development workshops, sample materials) or
- Requested personalized planning time with a CRS staff member or
- Requested BASIS volunteer presentation or
- Logged onto and used CRS online database <http://www.crscience.org/drupal/database>

Teacher provides **one documentation of student science learning to CRS**
(this could be some of the writing that the students were asked to do above, photos, or video)

What Was Sent to CRS
