

# Know

We already know...

- Clouds make rain
- Clouds can be white or grey
- Clouds have lots of shapes and sizes
- Clouds can bring a storm

# Wonder

We want to know...

- Where do clouds come from?
- What are clouds made out of?
- What do clouds feel like?
- Are all clouds the same?

# Learn

Through the lesson,  
we learned...

Let's find out!!
